Hi Rob

I have been selected for jury duty for the next (up to) 2 weeks. Ugh. I do not want to slow down the momentum of the site so please continue with the meeting with Michael next week and with the team on the 30<sup>th</sup>, (hopefully I will be done by then) . I will be checking emails when I can.  
Thanks

Diane:

Attached is a list of decisions related to the FS and modeling for the Upper 9-Mile Interim Remedy that require resolution between May 1 and June 15 in order to deliver a Draft FS to EPA by October 2018.

The CPG proposes to discuss in these with you and Michael in a broad sense on April 24 and have detailed discussions with the larger teams and hopefully reach decisions during the April 30 meeting.

Please contact me with any questions or comments.

Thanks
